**MEMORIALS** - Hobart honors its veterans in many ways. Shown here are the Doughboy Monument on which are lists of local veterans lost in World Wars I and II, Vietnam and Korean Conflicts; a monument at Rees Funeral Home honoring local Vietnam victims; and the Veterans Park Memorial which flies the American Flag, MIA Flag and flags of the Army, Navy, Marine Corps, Air Force and Coast Guard.

## July 4, 1776 - July 4, 2002

From Hobart's beginning in 1847, there has been no doubt of the patriotism displayed by residents in this city by the lake. When the town of Hobart was just 29 years old, residents joined in celebrating America's 100th Birthday with a big parade in 1876. (See picture below. Note the dirt Main Street and portions of wooden sidewalks in front of buildings still existing today.) In 1976, the city held a gigantic 200th birthday celebration.

Through the years, patriotism has been evident throughout Hobart, including the ROTC in the High School, active military organizations, annual Memorial Day ceremonies and gigantic birthday celebrations every July 4th. Hobart celebrates, and Hobart remembers.

Give residents a good cause and they always respond with successful efforts.

The 9-11 tragedy in New York, Washington and Pennsylvania, rekindled the flame of patriotism as we all watched with disbelief as the tragedy unfolded. Hobart held two candlelight vigils for the victims and raised funds to assist the victims' families.

As Hobart joins the nation in celebrating its 226th birthday, joy and pride are evident, but also there are the memories of 9-11 as we pay tribute to those who lost their lives not only on that memorable day, but in all the wars and conflicts listed below.

**REVELLI BANDSHELL** - When the Revelli Bandshell was dedicated in 1987, the sky opened up just as the ceremony opened. The Hobart audience was prepared, however, and simply opened up their umbrellas. That tradition has continued. It takes a very heavy rain to cancel the weekly concerts which have continued through the years each summer Thursday evening. Only three have been cancelled. In lower photo, volunteers are shown during construction of the bandshell which honors Dr. William Revelli, Hobart's first school band director.

**WELCOME TO HOBART SIGN** - The first Welcome to Hobart sign in the Triangle Gardens at Indiana 51 and Cleveland Avenue was installed in 1986 by the City Improvement Committee and the Hobart Garden Club. Workers are seen planting flowers in the garden in photo showing the east side of the sign which greeted motorists as they turned toward the downtown area. In photo showing the sign's west side are Joe Garrison who painted the sign, Dolphe Bublitz of the Garden Club, and Mayor Calvin Green. The replacement sign, shown being completed in 1987 by Tom Leonard of the CIC, can be found on page 5. That sign was replaced by the city in 1991. The current sign is shown on page 10.

## 1963 FIELD DAY

## ROTARY CLUB

### CELEBRATED IN 1981

Do you recognize any of these Rotarians shown as they observed their 33rd year? The organization started in 1948 when School Superintendent Harlie Garver and Gene Wise (a teacher) along with 16 other citizens received a charter for the Hobart Rotary Club. In 1981, there were 40 members. Helen Engstrom serves as the 2002 Rotary President as the organization observes its 54th birthday. Women were first admitted in the local Rotary Club in 1989 when Betty Grosser transferred to Hobart.

AMERICA

**GREAT FLOOD OF JUNE, 1981** - When a 4" rain suddenly drenched Hobart, a tragedy was narrowly escaped by Chris Robbins who, with his step-dad David Hall, attempted to ride their bikes through high waters on Rand Street. The swift-running water quickly swept the youngster away. He was able to climb onto some tree branches. Firemen Evan Young and Bill Schmelter were called to the scene. They entered the water supporting Hall by rope as he reached for Chris who missed his dad's arms when he leaped from the tree. He was saved by a rope (at right in above picture). Also see page 54. Dozens of youngsters are shown near the Wisconsin Street Bridge as they enjoyed the beach (provided by nature during that same rainfall) until police arrived to close the 'beach' for fear of an accident.

## QUARTER QUIZ

See page 3 for questions

- Public Law 105-124 was approved by Congress and signed by President Bill Clinton in 1997 to honor the 50 states, promote patriotism and generate public interest in United States history.
- It was selected for its broad circulation and size, which allows for a larger design than the penny, nickel or dime.
- Three to five possible unique designs for each state are reviewed by the US Mint to determine their coin-ability. After the Mint screens the designs, they are submitted to the governor of each state for final selection.
- The first commemorative state quarters were minted in 1999.
- By the order in which they were admitted to the Union.
- Alaska (on January 3) and Hawaii (on August 21) 1959.
- Arizona on February 14, 1912.
- On December 11, 1816, becoming the 19th state.
- This year Indiana, along with Tennessee, Ohio, Louisiana and Mississippi will be honored. The Indiana coin is scheduled for release in August.
- The Commemorative Coin Program in 1975 and 1976 with minting of special Bicentennial quarters.
- Five states are honored each year with final minting scheduled in 2008.

## DO YOU KNOW?

See page 7 for questions

1. Virginia, West Virginia, North Carolina, Illinois, Kentucky and Ohio as well as Indiana have the Cardinal as state bird.  
These seven states make the Cardinal the most popular. It is followed by The Western Meadowlark, named by Kansas, Montana, Nebraska, North Dakota, Oregon and Wyoming; and The Mocking Bird, adopted by Arkansas, Florida, Mississippi, Tennessee and Texas.
2. Only three states (Michigan, Wisconsin and Connecticut) name the Robin as state bird.
3. In the 1950's the Chamber of Commerce waged a successful campaign to have West Hobart mail delivered from the Hobart Post Office, rather than from the Gary Post Office. All Hobart residents then received their mail from the Hobart Post Office until 1988 when annexation into Ross Township became final.
4. There is also a Hobart, Oklahoma (population 3,997).
5. O'Dell-Smith Jewelers opened in 1886 and the Hobart Gazette in 1889.
6. First settled in 1837, Hobart was platted in 1847, incorporated as a town in 1889 and became a city in 1921.
7. It depends on how you count. If you count Fred Rose as two (he served two nonconsecutive terms) and his wife Gladys Rose as one (she completed the last two months of his final term following his death) there have been 14 mayors: Sherman Henderson, Owen Roper, Harry Livingston, Frank Davis, Fred Rose, Ross Trester, Fred Rose, Gladys Rose, Herman Pflughoeft, Lilburn Titus, Calvin Green, Margaret Kuchta, Robert Malizzo, and Linda Buzinec.

**BAND MOTHERS** - Members of the Band Mothers (forerunner of the Band Mothers and Boosters) celebrated results of a district band contest in 1967, and honored past presidents of the organization. Above President Mrs. George Goodrich (standing) welcomes past presidents (from left, front) Mrs. Arthur Balitz, 1939 - 40; Mrs. Delos Brooks, 1963 - 64; Mrs. Dallas Tidwell, 1965 - 66; (back) Mrs. Owen Crisman, 1959 - 60; Mrs. Harold Anderson, 1964 - 65; and Mrs. Donald Ballantyne, 1958 - 59. The Hobart band members received 95% first or second and 5% third place in all junior high competition. Senior high ensembles received 86% superior and 14% excellent.

**EAGLE SCOUT** - We couldn't determine exactly when Boy Scouts or Girls Scouts started in Hobart, but we did locate the first Hobart Eagle Scout! George Fraser, 90, became the first Hobart boy to earn Eagle Scout status in (about) 1930 while a member of Hobart Boy Scout Troop 42. That troop has existed at least since 1929, and is still active today under their leader, Joe Larson.

**GEORGE FRASER**

Fraser recalls Don Boyd and Bon Purdy being involved with construction of the first Hobart Scout Cabin with telephone poles. The land (west of Pavese Park) was donated by the Barnes family. That cabin was destroyed by arsonists (who were apprehended) in 1978. The new cabin was dedicated in 1986.

Retired from Standard Oil, Fraser also worked at American Bridge when the towers for the San Francisco Golden Gate Bridge were constructed at the local area business. He also served as leader of Troop 42 at one point in his life. Fraser Lane in Hobart is named for his family.

## DID YOU KNOW?

That once upon a time, the following attractions were located in Hobart?

1. A roller coaster - It was located in Lake View Park (along with a dance hall and other attractions).
2. A one-mile horse race track - It was outside of town, in what is now the Beverly Shores area.
3. An interurban service to Gary - The tracks ran down Third Street (now the green area separating east and westbound traffic).
4. A car and motorcycle racetrack - It was located on East Cleveland Ave.
5. An Opera House - in the upper level at Third and Main Streets. (Now Hobart Paint and Wallpaper).

### OLDEST CHURCH CONGREGATION

Hobart's oldest church congregation, still in its original building, is the First Unitarian Church. Built in 1876 at Fifth and Main Streets, the church was at the edge of the town. The original Augustana Lutheran Church, Lillian and Indiana Streets, is the oldest church building in Hobart (constructed 1869-73). That congregation moved to the present location at Kelly and Hickey Streets in 1968.

**UP WITH THE NEW - DOWN WITH THE OLD** - The new water tower, constructed in 2001 by the Indiana-American Water Co., is located east of Wisconsin Street near St. Mary Medical Center. The old tower, located near Pavese Park (formerly Lakeview Park), a Hobart landmark for many decades, was removed this spring. Attempts to preserve the tower failed due to the high cost to move it to a new location. On the right is Hobart's first water tower completed in 1898 by the Hobart Light and Water Co.

3. The average life of the \$1 is just 22 months; \$5, two years; \$20, four years; and \$50, nine years.
4. Alexander Hamilton (\$10); Benjamin Franklin (\$100); Salmon Chase (\$10,000).
5. No, but Susan B. Anthony was selected to be on the unpopular \$1 coin circulated in 1979 and 1980 (called the Carter quarter). Also, a native Indian, Sacagawea appears on \$1 coin first minted in 2000. Minting that new coin was suspended this spring.
